

Santa's workshop

Pick your favourite toy for a chance to win a prize – and raise money for people affected by breast cancer.

Every week 884 people discover they have breast cancer.

Breast Cancer Care is here for every one of them. Anyone with breast cancer or a question about breast health can call our free helpline on 0808 800 6000 or visit www.breastcancercare.org.uk

All our services are free.

How to play

To play the Santa's workshop game start by picking one of the presents. Write your choice down on the large parcel in the bottom right-hand corner then fold over the corner and tape it down so that no one can peek. Ask your friends and colleagues to choose their favourite toy and write their name under their chosen parcel – £1 per toy. Once all the boxes are full, open the large parcel to reveal the winning toy. The person who picked it will win a prize of your choice – a soft toy or box of chocolates. Try to get the prize donated – asking a local shop usually does the trick!
