

INDIVIDUAL AFFILIATED MEMBERSHIP

NAFAS is delighted to offer Individual Affiliation through a yearly subscription.

The Association was formed over 50 years ago and has a membership of approximately 30,000. The structure of the membership was formed through members belonging to one of our existing Clubs within the 21 geographical areas of NAFAS. There are many people who for various reasons are unable to join a flower club but who are, nevertheless, interested in floral design. For them, by becoming an Individual Affiliated Member, they may enjoy the benefits of NAFAS.

The cost of the annual subscription is £45, which includes four issues per year of our fabulous magazine The Flower Arranger.
